

<b>GSCO2 Science Advisory Council</b>			
<b>Name</b>	<b>Company/Institution</b>	<b>Title</b>	<b>Years of Service</b>
Rick Chalaturnyk	University of Alberta	Professor, Geotechnical Engineering, Department of Civil and Environmental Engineering	2017–2018
Donald DePaolo	Lawrence Berkeley National Lab	Associate Laboratory Director for Energy Sciences; Professor and Isotopic Geochemist	2014–2018
Neeraj Gupta	Battelle Memorial Institute	Senior Research Leader	2014–2018
George Guthrie	Los Alamos National Laboratory	Program Manager for Applied Energy	2015–2017
Thomas Johnson	University of Illinois at Urbana-Champaign	Professor and Head of Department, Department of Geology	2015–2017
Young Shin Jun	Washington University in St. Louis	Associate Professor in the Department of Energy, Environmental, and Chemical Engineering; Director of Graduate Studies	2014–2018
Larry Lake	University of Texas at Austin	Professor, Petroleum and Geosystems Engineering; Director, Center for Frontiers of Subsurface Energy	2014–2018
John McBride	Brigham Young University	Professor and Chair, Department of Geological Studies	2014–2018
Henrique Reis	University of Illinois at Urbana-Champaign	Professor, Departments of Industrial and Enterprise Systems Engineering and of Civil and Environmental Engineering	2014–2018
Timothy Scheibe	Pacific Northwest National Laboratory	Senior Scientist and Lead Scientist for Multiscale Modeling and High-Performance Computing	2015–2017
Dorthe Wildenschild	Oregon State University	Professor, School of Chemical, Biological and Environmental Engineering	2014–2018
Lesli Wood	Colorado School of Mines	Endowed Chair Professor, Geology and Geological Engineering	2014–2018
